**To the Citizens of Indian River County:**

In the State of Florida, School District Budgets are divided into five parts; Fund 100, Operating Budget; Fund 200, Debt Service; Fund 300, Capital Projects; Fund 400, Special Revenue; and Fund 700, Internal Service Funds.

Fund 100 is the section of the budget that is usually discussed at School Board meetings and workshops. It includes the salaries of teachers, administrators, bus drivers, secretaries, maintenance workers, and most other personnel in the system with the exception of cafeteria workers and federal grant personnel who are in Fund 400. Sixty seven percent of operating expenditures in 2017-2018 will be spent for salaries, benefits and substitute employee costs. This leaves thirty three cents out of every dollar to purchase supplies, equipment, gasoline, utilities and other materials that are necessary in the operation of the school system. Fund 100 is supported primarily from the Florida Education Finance Program (FEFP) which combines state and local funds to provide an equitable funding base for each student in Florida. The 2017-18 FEFP 2<sup>nd</sup> calculation shows an increase in total state and local funds of \$2.1 million dollars when compared to the 4<sup>th</sup> FEFP calculation for 2016-2017. In Indian River County, approximately 66% of the FEFP funds will be generated through local property tax.

The focus in General Operations this year is to implement legislative changes made to Florida Statutes as a result of HB 7069 during the 2017/18 Legislative Session and continuing to comply with the class size constitutional amendment. The Board's policy 6210 requires a minimum of 5% operating reserve in order to maintain a strong financial base, which is a minimal fund balance reserve that bond rating companies and auditing groups use to assess the district's financial solvency.

In Fund 200, Debt Service, the Board will continue to make principal and interest payments on outstanding Certificates of Participation and State School Bonds.

In Fund 300, Capital Projects, the budget plans for maintenance, renovations and improvements to school facilities throughout the district. In addition, the capital plan places a special emphasis on continuation funding for enhancing safety and security at our schools as well as funding for the Phase 2 of the Citrus Bowl renovations.

In Fund 400, Special Revenue, the lion's share of the budget consists of approximately \$5.6 million in Federal Title I grant funds as well as approximately \$4.4 million of Individual with Disabilities Act (IDEA) funds.

In Fund 700, Group Insurance, the focus will be on the continuation of the reserve requirement restoration to sustainable levels and ultimately restore the fund to financial health.

The Board's number one goal is to achieve excellence in education for our students while maintaining sound and conservative business practices and maximizing the utilization of tax dollars.

Sincerely,

*Mark J. Rendell*

# DEBT SERVICES FUND

## FUND 200

### DEBT SERVICE BUDGET

This fund is used to retire the indebtedness of the school system which has been incurred for building and renovation construction projects and the acquisition of land for education and ancillary purposes. It is comparable to the mortgage payment in a homeowner's budget. Due to current obligations 47.8% of the funds available are derived from capital funds transfers, 3.7% are derived from general fund transfers and 2.4% are derived from the State Capital Outlay and Debt Service allocations. The District participates in the Federal Qualified School Construction Bond program which includes an estimated interest subsidy of approximately 6.0%. Less than 1% is derived from interest income on invested funds. The remaining 40.1% consists of a carryover fund balance restricted for debt service which includes a sinking fund account for future debt payments.

As of July 1, 2017, the total debt balance is \$109,692,773 as shown on the schedule below:

Description	Principal Balance
Certificates of Participation	\$75,445,000
Qualified School Construction Bonds	\$26,261,000
Less: Sinking Fund Balance	(8,495,455)
Net Certificates of Participation Balance	\$93,210,545
State Board of Education Bonds	\$4,668,000
Energy Efficiency contracting pursuant to FS 1013.23	11,814,228
July 1, 2017 Outstanding Debt Balance	\$109,692,773

A portion of the capital outlay millage property tax, normally used for capital projects, has been reserved for annual payments due on Certificates of Participation (COPs). The District has four COPs with final payments due July 1, 2017 (2007 COP), July 1, 2025 (2014A and 2016B COPs) and July 1, 2027 (2016A COP). In addition, the District is obligated for a Qualified School Construction Bond (QSCB) with a maturity date of December 1, 2028. The QSCB is a federally subsidized bond with annual payments being placed in a sinking fund account with the District's trustee for a final payout at maturity.

During the 2017-2018 fiscal year, principal payments on state bonds will be \$381,000 and on COPs will be \$6,285,000. During the 2017-2018 fiscal year, an annual sinking fund payment will be due on the QSCB in the amount of \$1,167,370.

In 2015-2016 the District entered into two energy efficiency contracting agreements with Florida Power & Light Energy Services, Inc., (FP&L) and ConEdison Solutions, LLC s with financing provided by TD Equipment Finance, to fund the purchase, acquisition and construction of energy saving capital improvements and equipment at four schools in the District. Energy savings in the general fund have been reserved for the annual payments due on these loans. During the 2017-2018 fiscal year, principal payments on the loans will be \$568,995. Pursuant to Florida Statute 1013.23 (3)(g) these contracts do not constitute a debt, liability or obligation of the District School Board. However, the District has elected to disclose these amounts as part of its long term debt portfolio.

# CAPITAL PROJECTS FUND

## **FUND 300**

### **Capital Projects**

---

Fund 300 of the budget reports the revenue and expenditures for construction and renovations of school buildings and grounds. Seventeen funds are included, each with a different funding source.

The Board generates the major portion of annual capital resources by levying Capital Outlay Taxes. By law, this tax millage is limited to 1.50 mills, as amended by the Legislature for fiscal year 2009-2010 and is currently set at the maximum.

Public Education Capital Outlay funds (PECO) are the primary source of State revenue for Capital Projects. The funds are derived from utility taxes and are allocated by the Legislature each year. The District's share of these funds for construction is based upon the District's pro-rata share of unmet capital outlay needs. PECO funds are also provided for renovation of facilities, which are the only PECO funds allocated to the District for fiscal year 2017-2018.

Capital Outlay and Debt Service funds, CO & DS, are provided from Motor Vehicle License tax.

School Construction Impact Fees were adopted in July 2005. Impact fees are appropriated when received.

The majority of Capital Outlay funds must be expended on projects in accordance with the State Board Regulations. These regulations require recommendation of a School Plant Survey which, by law, must be conducted at least every five years.

# SPECIAL REVENUE FUND

## **FUND 400**

### **Federal Projects & School Nutrition Program**

---

This section of the budget presents the funds the district receives from federal sources and School Lunch Program receipts. With the exception of entitlement grants, in order to receive federal funds, projects must be written and approved by the Board and the appropriate federal agency. State and Federal regulations prohibit districts from budgeting funds prior to receiving the funds, or state and federal approval of the project.

The Special Revenue Funds Budget represents the balance in those projects to be carried forward in addition to new grants that have been awarded. The budget will be amended as new projects are approved this fiscal year.

These projects must be carefully monitored to make certain all expenditures made are itemized in the approved project budget and occur within the stipulated time period. In Fund 400, approximately 69% of all expenditures are for salaries and benefits.

An approved Indirect Cost Rate is established each year based on the percentage of district indirect expenditures in the General Operating Fund for the preceding year. This percentage is applied to all expenditures (except capital outlay and direct classroom expenditures for professional services) in most projects and paid to the General Operating Fund monthly to offset overhead.

The School Food Service Program has \$11,716,239 available for program operations and a projection of how these funds will be spent to provide lunches and breakfasts to Indian River County students in 2016-2017.

Money and commodity foods are received from the Federal Government for student meals served both to paying students and to students eligible to receive a free or reduced price meal. The State of Florida also provides a supplement to the federal funds for meals served to free and reduced price meals recipients. Student lunch sales, a la carte food sales, beverage sales, and adult meals also provide revenue to the fund.

School lunch prices which remain unchanged are: \$2.25 for grades K-5, \$2.50 for grades 9-12, and \$3.25 for adults. Lunch prices for grades 6-8 increased from \$2.25 to \$2.50. Breakfast will cost \$1.25 for students and \$1.75 for adults. Students who qualify for reduced price meals will be charged \$0.40 for lunch and \$0.30 for breakfast. The costs vary for a la carte food and beverages served to students and for banquets and special events.

Expenditures in the school food service fund include labor and fringe benefits paid to the food service employees at both school and district level; for purchased food and non-food supplies and replacement of equipment used in the food service program.

# ENTERPRISE FUND

**FUND 900**  
**Enterprise Fund**  
**Extended Day Program**

---

To comply with generally accepted accounting principles, the operations of the District's before and after school childcare program, also known as the extended day program, are accounted for as an enterprise fund. An enterprise fund is defined as "a proprietary fund type used to report an activity for which a fee is charged to external users for goods and services". The extended day program charges fees for childcare to fund its operations. No property tax or Florida Education Finance Program (FEFP) revenues are receipted into this fund.

The extended day program operates a before and after day care program during the regular year at all elementary school sites. During the summer break, the program operates for a full day at limited sites.

### **Beginning Balance**

Unexpended monies and current assets carried forward from the old school year to the next school year.

### **Capital Outlay Tax**

An assessment of property tax authorized by State Statute for the sole purpose of school capital outlay needs. Maximum allowed for 2017-2018 is 1.50 mills.

### **Discretionary Tax**

### **Encumbrance**

### **Expenditures**

Monies disbursed by the school district for payment of debt obligations, such as, salaries, equipment, textbooks, materials and supplies, building construction and maintenance, etc.

### **FEFP Formula**

The FEFP (Florida Education Finance Program) formula can be separated into two steps. The first is the calculation of total FTE dollars and the second is the calculation and deduction of the required local effort.

FTE Dollars = Number of Weighted FTE x BSA x DCD - Required Local Effort.

BSA = Base Student Allocation. This amount of money is established by the Legislature each year and is the dollar basis for funding.

DCD = District Cost Differential. Cost of Living Index

### **FTE Student**

Full- Time Equivalent (FTE) Student. For students in grades 4 - 12, a full-time student is one receiving at least 25 contact hours of instruction per week. For students in grades K - 3, a full-time student is one receiving at least 20 contact hours of instruction per week. Adult students are not counted for FTE. (See Workforce Development.)

### **Function**

Function is a category of expenditures which describes the action or purpose for which a person or thing is used or exists. The functional areas of the Indian River County School District are classified into three broad areas: (1) Instruction, (2) Instructional Support and (3) General Support.

### **Fund**

A fund is an independent fiscal and accounting entity with its own assets, liabilities, reserves, and fund balances which are segregated for the purpose of carrying on specific activities of a school district in accordance with special regulations, restrictions or limitations. All money received, expended or reserved by a school system is classified and defined in this dimension.

### **Fund Balance**

Projected excess amount of total budget resources over the amount appropriated to expend in the current year. This is an estimated figure during the fiscal year which fluctuates depending on the accuracy of revenue and expenditure projections. When the year ends, this becomes the Ending Balance. Fund balance includes specific reserve funds.

### **Gross FEFP**

The amount generated from the FEFP formula and specific add on formulas decided by the Legislature. 2017-2018 Gross FEFP includes Additional State Allocations and Funding Adjustments. Add-ons in the Gross FEFP are not considered categoricals and may be spent at the discretion of the Board.

### **Growth Unit**

Vacant employee unit (average salary + benefits) budgeted to cover additional teachers and aides needed as a result of applying the personnel allocation formulas to actual enrollment up to the first FTE count in October.

### **Inventory Reserve**

Warehouse shelf inventory at year-end is considered a non-cash asset and becomes part of the Ending Balance. This reserve is set up to distinguish inventory from cash balances.

### **Just Value**

The monetary market value established by the property appraiser for all real and tangible properties within the district.

**Lapse Factor**

Labor savings due to the time lapse between the termination of an employee and the re-filling of the vacated position.

**Membership**

A student enrolled in his home school. For funding purposes, the student is in membership until he withdraws or at the close of his sixth consecutive absence. Funding is based on Full-Time Equivalent (FTE) students in membership during survey periods. Four surveys are conducted each year - July, October, February and June.

**Mill**

1/1000 of a dollar. One Mill of property tax represents paying \$1 per \$1,000 of assessed property.

Object is a category of expenditures that describes the service or commodity obtained as a result of a specified expenditure. The Indian River County School District uses seven major categories for objects: (1) Salaries, (2) Employee Benefits, (3) Purchased Services, (4) Utilities, (5) Materials and Supplies, (6) Capital Outlay, and (7) Other Expenses.

**Program Category**

Program Category is a grouping of expenditures by instructional programs within the district. These are established by Florida Statutes and consist of 6 Basic Education Categories, 2 Exceptional Education Categories, 1 Vocational Education Category, and 1 Intensive English-ESOL Category.

**Required Local Effort**

Florida Statutes require a local effort equal to 4.305 mills in ad valorem taxes.

Required Local Effort = 96% x assessed value of non-exempt properties x .004305

FEFP amount = FTE dollars - required local effort.

**Reserve**

A specific designation of Fund Balance to identify future obligations.

**Revenue**

Monies received by the school district which are used to provide and operate a system of schools within the district. Sources of revenue are usually categorized into three types - federal, state and local.

**Weighted FTE Program**

Categories of students are weighted for funding. Weighted FTE represent the number of FTE students in a program category multiplied by the cost factor for that category. The State of Florida has established 10 categories for funding. Each category has a cost factor ranging from 1 to 5.526.

**Workforce Development**

The 1997-98 Legislature created a funding category for adult programs outside of the FEFP. Each district receives a set amount based upon past performance that rewards for the number of students that complete programs and job placements. The allocation for Indian River will be used to serve Adult Basic, Job Preparatory, Job Supplemental, and Adults with Disabilities courses.
